Aim High, Work Hard, Dream BIG!

BREAKFAST & AFTER SCHOOL CLUBS

At **The Parkland Federation**, we aim to support working parents in as many ways as possible. Our wrap around care supports families that require childcare before and after school and is held in our Dahl Studios.

BREAKFAST CLUB starts at 7.45am each morning. Parents should arrive at this time only so that collection from the school gates is prompt. Here, the children are given a choice of cereals and/or morning goods and a drink. They sit with other members of the club to eat and often assist the adults with preparing food and clearing up to support independence and develop new skills. The children can then choose from a variety of activities such as reading, board games or outside games such as football. At 8.40am, the children are taken across to their classroom by a member of staff.

AFTER SCHOOL CLUB runs from the end of the school day until 5.30pm. There are two sessions. The first runs until 4.30pm and the second until 5.30pm. We politely ask that you are on time for collection. Children are collected from their class teacher by a member of the After School Club Team. All children are provided with a light snack upon arrival and a light sandwich tea if they are staying for the second session. They can choose from a variety of activities such as art, cookery, imaginative play, board games or outside activities.

If you would like your child to attend one of these clubs, please contact the School Office on 01323 502620. Clubs operate with limited places to ensure there is a high ratio of staff and children. We politely request that all bookings are made in advance and paid for before the session is taken.
